

SELF GUIDED TOURS

Come and explore the spectacular sights and scenery of the Blue Mountains by bike.

Since 2012, Blue Mountain Bikes (BMB) has been helping people explore the wonders of this world heritage-listed area with the freedom that only two wheels can offer.

We have plenty of ride suggestions to suit all levels of fitness and experience.

Whether you want to get your adrenalin pumping at The Oaks, one of the most iconic mountain bike trails Australia has to offer, or sample the breathtaking views on offer along the Narrow Neck Fire Trail and Katoomba's Cliff Drive tourist route... we have you covered!
