Helping YOU celebrate important moments
in your life

Celebrating your child's naming

- ♥ Naming ceremonies are a charming way to embrace family and friends and importantly provide a lovely recognition of a new member of your family, and the hopes and dreams parents hold for their child.
- ♥ A naming ceremony formally introduces your child to family and friends, and importantly confirms and bestows upon the baby or child their chosen names in a lovely celebration that acknowledges the pure love and wonderful qualities and strong family and friendship bonds that surround your child.
 - ♥ If you want fun - we create it
 - ♥ If you want religious - we include it
 - ♥ If you want family heritage incorporated - we design it
 - ♥ If you want cultural inclusions - we do it
 - ♥ If you are not sure what you do want - then we will talk and we will create the dream!
- ♥ No stress, just fun and working together to ensure we create the Naming ceremony for your darling baby or child!

Who can be
included in a Naming
Ceremony?
Grandparents
Your Siblings
Best friends & Mates
Children in your family
even much loved
pets!

What detail is included in a Naming Ceremony?

- ♥ Firstly we gather the facts about how you chose the name(s), your first thoughts when you found out you were to be parent(s), any medical concerns that needed to be managed, any funny situations or stories to include, how when and where was baby born etc.
- ♥ Decide on who you would like to have as godparents/life guardians, if you are including the grandparents and great grandparents, and any other children in the family.
- ♥ Will anyone do a reading or poem?
- ♥ Are you including a lovely ritual?
- ♥ How to decide - that is where I help you with suggestions and ideas, and we create a perfect ceremony!

*How much is a great Celebrant really worth?
Peace of mind and no stress!!*

Creating your lovely ceremony

- ♥ I provide you with a document to capture the essence of the ceremony.
- ♥ There are many lovely rituals we can add into your ceremony, and I'll give you so many ideas to consider.
- ♥ I have a large selection of readings you may like included
- ♥ I'll gain an insight into what's important to you and ensure I capture the essence of everything you would like to include into the ceremony
- ♥ I'll then create a draft, and work with you to finalise it so it is perfect and exactly what you want.
- ♥ I take a lot of time to personally write every ceremony for my couples!
- ♥ I will provide lovely certificates to everyone you would like included, and provide you with a keepsake copy of your ceremony.
